New approaches to strengthened cooperation facilities for VET institutions and labour market

(NecVET)

This publication is prepared for dissemination of the project NecVET (***New approaches to strengthened cooperation facilities for VET institutions and labour market***) results. The NecVET is supported by EC funding under Erasmus + KA2 Strategic Partnership for Vocational Education (2014 -2016). This partnership includes the institutions in Turkey, Greece, Poland, Spain and Italy involved in Vocational subjects and education activities. The views expressed in this edition are those of authors in the NecVET consortium and are, under no circumstances, those of the Turkish National Agency, European Commission and its affiliated organizations.

This project is supported by Turkish National Agency in the framework Erasmus + Strategic Partnership in VET between the years 2014-2016

Mesleki eğitim kurumları ve işgücü piyasası için güçlendirilmiş işbirliği olanaklarına yeni yaklaşımlar

(NecVET)

Bu yayın NecVET projesinin sonuçlarının yaygınlaştırılması için hazırlanmıştır. NecVET projesi Avrupa Komisyonu tarafından Erasmus + Mesleki Eğitim için Stratejik Ortaklıklar başlığı altında 2014-2016 yılları arasında finanse edilmektedir. “New approaches to strengthened cooperation facilities for VET institutions and labour market” NecVET

Introduction

Young labour force who is already going on their vocational education process in a VET institution will be a part of EU labour market in the near future. When free movement of labour in line with the principles of EU is considered, knowing occupations and related occupational standarts and qualifications closely will be advantageous for EU citizens in employment process.

It's aimed that common vocational sectors and existing vocational departmens in VET institutions among partner countries will be determined within the framework Erasmus + Strategic Partnership for Vocational Education project “*New approaches to strengthened cooperation facilities for VET institutions and labour market (NecVET)*”. By this way, equivalentents of 50 departments in 10 sectors have been investigated in partner countries. Çubuk District Directorate for National Education has lead role in this study as coordinator institution and these material has been produced in collaboration with partner institution/organizations in order to put them to VET institution's service.

Sectors and departments determined in this study will be integral part of other activities of NecVET project.

Giriş

Mesleki Eğitim Kurumlarında halihazırda öğrenim gören gençler AB İşgücü piyasasının bir parçası olacaklardır. AB ilkeleri doğrultusunda işgücünün serbest dolaşımının mümkün olduğu düşünüldüğünde her bir AB üyesi ülkedeki mesleklerin ve ilişkin standart ve yeterliliklerin yakından bilinmesi AB vatandaşlarının istihdamı açısından yarar sağlayacaktır.

“*New approaches to strengthened cooperation facilities for VET institutions and labour market (NecVET)*” adlı Erasmus + Startejik optaklık projesi kapsamında ortak ülkelerdeki sektörler ve bu sektörlerin altındaki mevcut ortak Mesleki Eğitim (ME) alanlarının belirlenmesi amaçlanmıştır. Bu yolla 10 sektördeki yaklaşık 50 alanın ortak ülkelerdeki karşılıkları araştırılmıştır. Koordinatör kurum olarak Çubuk İlçe Milli Eğitim Müdürlüğü araştırma sürecine liderlik etmiş ve ortak ülkelerle işbirliği halinde bu materyal hazırlanarak Mesleki Eğitim Kurumlarımızın hizmetine sunulmuştur.

Bu çalışmada belirlenen sektör ve alanlar proje çalışması kapsamındaki diğer faaliyetlere de kaynak teşkil edecektir.
